

DIRECTIONS: Pick **2** out of the **4** countries (USA, Canada, UK, Australia) for this task. Answer the first 4 questions using credible and reliable internet sources. Try to look for things you do not already know! Please note in your worksheet where your source came from (the website name) at the end of your answer space. When answering the questions, you will have different options to choose from. See options after the questions. You should use the same options for your first and second country. This way it will be easier for you to compare. Write in complete sentences!

1) **What culture characteristic is present in your first country? Give an example.**

(Culture options: Types of religion, government, day-to-day life practices.)

Country: _____ Resource: _____

_____/1

2) **What culture trait is present in your first country? Give an example.**

(Culture trait options: Types of slang (language), top sports, popular food.)

Country: _____ Resource: _____

_____/1

3) **What culture characteristic is present in your second country? Give an example.**

(Culture options: Types of religion, government, day-to-day life practices.)

Country: _____ Resource: _____

_____/1

4) **What culture trait is present in your second country? Give an example.**

(Culture trait options: Types of slang (language), top sports, popular food.)

Country: _____ Resource: _____

_____/1

- 5) **With your prior answers in mind, compare your first and second countries differences.** (Cultural differences suggestions: Compare your answers from the prior questions. You can also look at history, the environment, or the laws if you are ahead!)

/2

- 6) **Compare these differences with your culture. How is it different?** (Example, how is your food different? How is your day-to-day life different? How is your slang different?)

/2

- 7) **In your opinion, why is it important that we learn about other cultures?**

/2

Culture Comparisons Worksheet - Grading Rubric

Possible Points /12
